On Friday, January 9th, Canadian Roots, Rock, and Soul band **Bywater Call** are excited to announce the release of their first studio single of 2026, “Only”

“Only” is a throwback to the timeless soul anthems of the 60’s and 70’s. Featuring **Meghan Parnell’s** signature smokey vocals and a smooth, slow groove, this losing-of-love song is a heartfelt plea to remain together, while attempting to downplay the pain of breaking up.

The emotional melody, accompanied by the rich background vocals of **Joanna Mohammed** (Aphrose) and **Claire Davis**, captures perfectly the feeling of loving more than being loved.

Reminiscent of the classic artists of the genre, “Only” is infused with modern influences such as Adele and Amy Winehouse.

“Only is a simple, yet emotionally powerful tune,” says guitarist and co-writer **Dave Barnes**. “It shows off a sweet, softer side of Meg’s usual powerhouse vocals.”

The song was recorded at **Palace Studios** in Toronto, captured and mixed by **Patric McGroarty**, and mastered by **Kristian Montano** of **Montano Mastering**.

“A living, breathing testament to what happens when a band catches fire, led by a vocalist who doesn’t just perform but preaches the blues. Bywater Call isn’t following the tradition, they’re pushing it forward one electrical show at a time.” – Blues Matters

Often transcending genres, Bywater Call is known for their dynamic, emotional live shows, featuring powerful vocals and exciting interplay between all band members.

In their August 2024 issue, **Classic Rock** made Bywater Call's 2024 album **Shepherd** their “**Blues Album of the Month**” and said it was “an inventive and uncommonly catchy record,” and added, “the sense of a band on the brink is unmistakable.” The album won “**Top Blues Album of the Year**” in the magazine’s year-end round-up.

In early 2025 Bywater Call received a nomination at the **UK Blues Awards** for “**International Act of the Year**” for the second year in a row.

The band will be on tour throughout Europe, the USA and Canada in 2026.
