Celebrated and award-winning blues rock guitarist and singer songwriter, **Joe Bonamassa** in association with **J&R Adventures** and **N&P Touring** is pleased to announce five UK arena concerts in April 2025.

Planet Rock will start a **48-hour ticket pre-sale** from **10am GMT** on **Wednesday 26 June** at [PlanetRock.com](https://planetrock.com).

Tickets go on general sale **10am GMT** on **Friday 28 June** at www.jbonamassa.com/tour-dates and gigantic.com.

Backed by a stellar band of legendary musicians, the set list for this show will feature new songs alongside career-spanning favourites. By exceeding his own vertiginously high artistic goals, Bonamassa has shattered all expectations with **27 #1** Billboard Blues Albums (more than any other artist in history). Bonamassa's career in the music industry has built steadily over the years and continues to gain momentum.

Bonamassa has toured the world many times, and is without a doubt, one of the biggest blues guitarists, vocalists, and entertainers around. He recently supported **The Rolling Stones** at Lumen Field Stadium in Seattle and received a standing ovation from excited Stones fans.

"I am looking forward to touring the UK again," says Joe. "UK audiences have always been supportive of my music. The fans are always energetic and enthusiastic."
