About Robert Jon & The Wreck

Reigning from southern California, Robert Jon & The Wreck have been taking the southern rock sound established on the east coast and bringing it to the West Coast. Since their inception in 2011, these five native Californian's; Robert Jon Burrison (lead vocals, guitar), Andrew Espantman (drums, background vocals), Henry Schneekluth (lead guitar, background vocals), Warren Murrel (bass), and Jake Abernathie (keyboards), have been electrifying audiences globally with their soaring guitar leads, infectious grooves and rich vocal harmonies. With yearly European tours now becoming an integral part of their touring regiment, Robert Jon & The Wreck found their flow being on the road most of the year, returning to California and prolifically pumping out new material.

Their sixth studio album, the critically acclaimed *Shine a Light on Me Brother*, was released in 2021. On September 30, 2022, The Wreck recently released *Wreckage Vol. 2*, a collection of exclusive in-studio and live concert performances recorded from 2020 – 2022 on Joe Bonamassa's KTBA Records. On August 4, 2023, the band released the album *Ride into The Light* via Journeyman Records to critical acclaim.

On June 28, 2024, the band released their album *Red Moon Rising* featuring the singles "Ballad of A Broken Hearted Man," "Stone Cold Killer," and the title track "Red Moon Rising."

On August 22, 2025, the band released their critically acclaimed ninth album *Heartbreaks & Last Goodbyes* produced by Grammy-award winning producer Dave Cobb. The album features the singles "Ashes in the Snow", Highway, "Better of Me," and many more.

On Friday January 30, 2026, RJTW released their latest single "Put Your Money Where Your Mouth Is" taken from their forthcoming album *Wreckage Vol. 3* (the latter released in April 2026).

About Journeyman Records

Journeyman, the newest endeavor between Joe Bonamassa and his long-time manager Roy Weisman, is a vertically integrated music management, concert promotion and marketing company that builds awareness for great live artists worldwide. After years of perfecting strategies building Joe Bonamassa's career, the company will utilize the same savvy tactics which allowed them to overcome industry barriers that typically held back artists from achieving success. Journeyman provides the infrastructure to take an artist from its infancy, to record music and tour without having to deal with the typical resistance of "gatekeepers" who don't believe or support emerging acts. Bonamassa has been keen on using his experience to pay it forward to help other artists navigate the murky industry waters. Consequently, Journeyman sets itself apart in this way as being the true market maker for their artists.
